Fair Play – Players

| | |
|--|--|
| 4.1 Subject | Club policy on the conduct of players at various football games associated with Brindabella Blues football Club Incorporated. |
| 4.2 Purpose | This policy is to inform players of what is expected of them when participating at a football match or any club organised function. |
| 4.3 Principle | This club respects and recognises that players come to play and enjoy participating in an organized team sport. Players are reminded that the game is for everyone to enjoy and that other players, parents, spectators and officials take notice of their actions. |
| 4.4 Objectives | <p>A player will:</p> <ol style="list-style-type: none"> 1. remember to play for your own enjoyment, not just to please others. 2. control their temper – fighting and “mouthing off” spoil the game for everyone. 3. co-operate with their teammates and opponents for without them you don’t have a game. 4. play by the rules. 5. work equally hard for yourself and your team. Your teams’ performance will benefit and so will your own. 6. cheer all good plays, both your own team and your opponents. 7. ensure your behavior sets a good example for fair play. 8. remember that coaches and officials are there to help you. Co-operate with them. 9. not use abusive or foul language, or rude gestures when in the vicinity of playing fields or at coaches and officials. 10. note that action could be taken in respect to any violation of the rules. |
| 4.5 Impact on Health and Safety | This policy change has no impact on current health and safety requirements. |
